REMARKS

Applicant had previously elected claims 1-11 for immediate examination, and had withdrawn claims 12-20. Applicant hereby elects species Group 1A, encompassing claims 1, 2, and 3, as described in the original restriction requirement of September 28, 2004.

Also, Applicant has made a minor change to claim 1 in this response.

Finally, Applicant has submitted herewith a supplemental IDS citing one reference, and requests consideration of that reference during examination.

Respectfully Submitted,
